## Project Architect I

DIGSAU is an award-winning firm practicing contemporary architecture, urbanism and environmental design. We are recognized for our expertise in providing unique, high-quality, and sustainable design solutions for a diverse client group. Our office operates as an open studio and values design excellence, collaboration, friendliness, and a shared commitment to our colleagues and clients.

We are seeking a high-energy Project Architect. The successful applicant will be a self-motivated and creative problem-solver, exhibiting strong management and design skills. Candidates should be fluent in digital and physical three-dimensional modeling, demonstrate strong graphic communication skills, and be passionate about design and architecture. The position requires the ability to collaborate with multiple team members, coordinate the efforts of consultants, and an ability to tackle new challenges.

### Qualifications

- A professional degree in architecture;
- 4-6 years professional experience
- Exceptional design skills
- Excellent communication and collaboration skills;
- Experience in the preparation of drawing sets;
- Fluency in Revit, Rhino, Adobe Creative Suite;
- Willingness to teach and learn;
- Enthusiasm, passion, and curiosity.

DIGSAU is an Equal Opportunity Employer. Salary is commensurate with experience and skill. It may be necessary to work occasional late nights and weekends.
