

# DIGSAU

## **Architect I/Designer I**

DIGSAU is an award-winning firm practicing contemporary architecture, urbanism and environmental design. We are recognized for our expertise in providing unique, high-quality, and sustainable design solutions for a diverse client group. Our office operates as an open studio and values design excellence, collaboration, friendliness, and a shared commitment to our colleagues and clients.

We are seeking a full-time architectural designer with exceptional graphic and illustration skills along with drafting and modeling abilities. The roles and responsibilities of the Architect I/Designer I position include broad exposure to many aspects of project design and delivery, including participation in developing design concepts, creating presentation materials, working on construction documents, and assisting in construction administration. The candidate must be a multi-tasking, detail-oriented, hard-working team player.

## **Primary Job Responsibilities**

- Work closely with Project Leaders to prepare and develop of technical documents across a range of project type and scale.
- Develop solutions to design assignments and technical problems.
- Independently perform a variety of assignments requiring skills in all conventional aspects of architectural designs for projects of moderate size and complexity.
- Perform analyses of design, planning and occupancy studies and limited design layouts.
- Prepare project specifications, compiling and analyzing relevant data.
- Review completed reports, plans, estimates and calculations.
- Demonstrate an ability to work on multiple projects while meeting budget and schedule constraints.
- Participate in activities that strengthen our culture, knowledge base, and capabilities.

## **Qualifications**

- A professional degree in architecture.
- Completion of or on the path toward Professional Licensure.
- 3 or more years professional experience.
- Exceptional design skills.
- Excellent communication and collaboration skills.
- Experience in the preparation of drawing sets.
- Fluency in Revit, Rhino, Adobe Creative Suite.
- Willingness to teach and learn.
- Enthusiasm, passion, and curiosity.

*DIGSAU is an Equal Opportunity Employer. Salary is commensurate with experience and skill. It may be necessary to work occasional late nights and weekends.*
